RE: Nursing Facility Assessment Rates
Provider Letter #A-247

Dear Nursing Facility Provider:

The Department of Revenue recently informed providers that the Nursing Facility Services Assessment rates will be revised effective July 1, 2013. Accordingly, the Department for Medicaid Services will increase the allowance to offset the provider assessment to accommodate the increase in the assessment rates. Additionally, effective July 1, 2013, providers will be receiving a 2.0% inflation adjustment to the relevant components of the standard price.

If you have any questions regarding these changes to the Nursing Facility price-based rates, please contact Jill Hunter with the Division of Provider and Member Services at (502) 564-6511.

Sincerely,

Lawrence Kissner
Commissioner
