- Arrange transportation to a medical appointment.
- Attend an appointment with the recipient for a covered service.
- Help a recipient find other relevant community resources such as support groups.

Health education and training

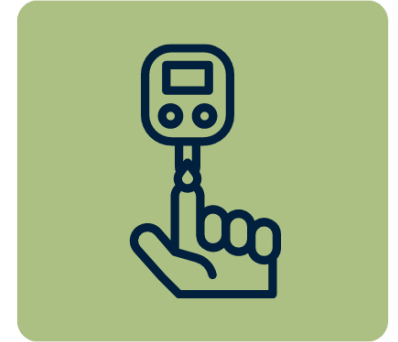

Immunizations

Manage Blood Pressure

Manage STDs

Diabetes Management

Control toxic Agents

Occupational Safety

Accident Prevention

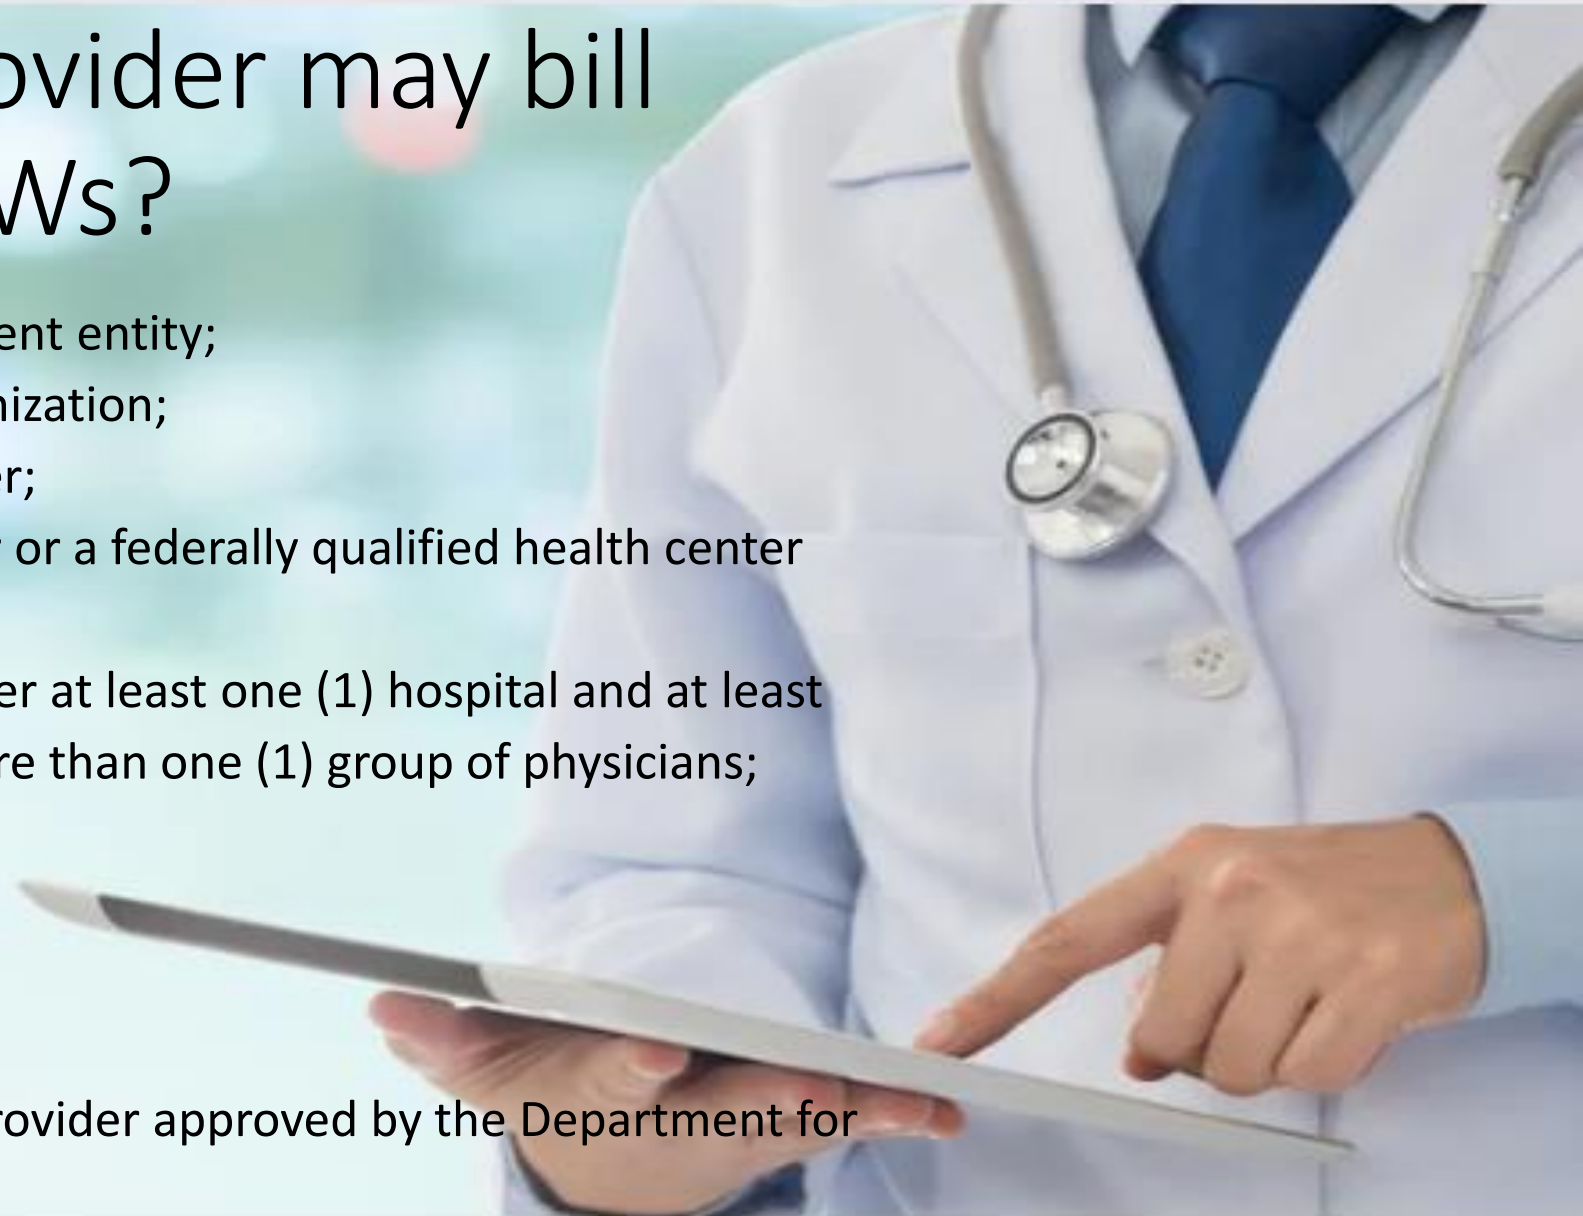

Health promotion and coaching

- Cessation of tobacco use.
- Reduction in the misuse of alcohol or drugs.
- Improvement in nutrition.
- Improvement of physical fitness.
- Family planning.
- Control of stress.
- Pregnancy and infant care, including prevention of fetal alcohol syndrome.

What Type of Provider may bill Medicaid for CHWs?

- An alcohol and other drug treatment entity;
- A behavioral health services organization;
- A community mental health center;
- A federally qualified health center or a federally qualified health center look-alike;
- A health system consisting of either at least one (1) hospital and at least one (1) group of physicians or more than one (1) group of physicians;
- A hospital;
- A local health department;
- A primary care clinic;
- A rural health clinic; or
- Another Medicaid participating provider approved by the Department for Medicaid Services.

Other Requirements for CHWs

Cannot enroll as independent Medicaid participating providers.

Must be related to a medical intervention outlined in individual's care plan.

There will be no reimbursement for a CHW that:

- Is paid by federal funds.
- Reimbursement is included in a per diem or cost settlement type payment.
- Is employed by a Managed Care organization (MCO).

CHWs are not eligible for WRAP payments.
