

**Description and information about Administrative Regulations filed for
January 13, 2023 filing deadline:**

These Statements of Consideration were filed on January 10, 2023:

1. 907 KAR 1:680. Vaccines for Children Program.

A. This administrative regulation was filed on January 10, 2023.

B. Summary of Administrative Regulation: This administrative regulation establishes the provisions relating to vaccines provided through the Vaccines for Children Program. The amendment modifies this regulation to comport with modern practice realities relating to the Vaccines for Children Program (VCF). The regulation is amended to make participation permissive and to allow for reimbursement to certain providers regardless of the provider's participation in the VCF program. **A Statement of Consideration was filed in response to comments received.**

C. The administrative regulation may be accessed at the LRC website here:

<https://apps.legislature.ky.gov/law/kar/TITLE907.HTM>

D. Information about public hearing and public comment period for this administrative regulation:

A statement of consideration was filed in response to comments received. This administrative regulation will receive public hearings at the Administrative Regulations Review Subcommittee (ARRS) and the appropriate Legislative Research Commission committee of jurisdiction. The ARRS agenda can be accessed here: <https://apps.legislature.ky.gov/CommitteeDocuments/3/> .

2. 907 KAR 3:010. Reimbursement for advanced practice registered nurse services.

A. This administrative regulation was filed on January 10, 2023.

B. Summary of Administrative Regulation: This administrative regulation establishes reimbursement requirements for physician and provider services. The amendments to this administrative regulation clarify that only providers enrolled in the Vaccines for Children Program cannot receive reimbursement for the cost of the vaccine if the vaccine is readily available in the enrolled provider's facility. In addition, DMS is making a provider friendly modification that will allow for additional evaluation and management codes to be utilized by providers over the course of a year. This amendment will allow for evaluation and management services to comply with a recent Centers for Medicare and Medicaid Services reorganization of evaluation and management codes. Finally, the supplemental payment schedule is amended to reflect current practice and federal approval by becoming an annual and not a quarterly payment. **A Statement of Consideration was filed in response to comments received.**
