

Description and information about Administrative Regulations filed for

October 15 filing deadline:

This Amended After Comments – Statement of Consideration administrative regulation was filed on October 12, 2022:

1. 907 KAR 1:008. Reimbursement for advanced practice registered nurse services.

A. This administrative regulation was filed on October 12, 2022

B. Summary of Administrative Regulation: This administrative regulation establishes the reimbursement rates and coverage provisions for procedures performed in ambulatory surgical centers. This amendment moves certain requirements that were previously located within the ambulatory surgical centers manual into the body of the administrative regulation. The administrative regulation is further amended to update to the 2022 ambulatory surgical center fee schedule, and to establish an ongoing updating process to the most currently available ambulatory surgical center fee schedule. The administrative regulation also adds a new section relating to reproductive services. This language previously existed within the ambulatory surgical center manual and is being moved to the administrative regulation with the deletion of the manual. Another new section relating to documentation requirements is being included that contains requirements that were previously located in the Ambulatory Surgical Centers Manual. Language relating to the 1996 fee schedule is being deleted and the section relating to material incorporated by reference is also being deleted

Amended After Comments version: The Amended After Comments version adds a new section that clarifies that MCOs are not required to reimburse pursuant to this administrative regulation.

C. The administrative regulation may be accessed at the LRC website here:
