RE: Medicaid Enterprise Management System Implementation Advance Planning Document Update #2: IV&V Services and MITA State Self-Assessment

The Kentucky Cabinet for Health and Family Services (CHFS) is submitting this request through the attached Implementation Advance Planning Document Update to realign the currently approved budget and adjust approved funding for the Commonwealth's Medicaid Enterprise Management System (MEMS) project. This alignment supports the initiation of IV&V services for the MEMS project and the implementation of a MITA State Self-Assessment for the Kentucky Medicaid Enterprise. The IV&V services contract and MITA State Self-Assessment Statement of Work is being submitted in tandem with this IAPDU for review and approval by CMS. This IAPDU does not request new funding.

Please contact Jennifer Harp at (502) 564-0105, ext. 2076, if you have any questions.

Sincerely,

Lawrence Kissner
Commissioner
