To: Community Mental Health Centers - Provider Letter # A-94

RE: Procedure Code and Billing Changes (Provider Type 30)

Dear Kentucky Medicaid Provider:

The Department for Medicaid Services (DMS) has implemented changes related to newly added services codes, changes in modifiers and payment rates (Physician's Assistant and Certified Psychological Associate) for services provided to eligible Medicaid members by the Community Mental Health Centers (CMHC's). Modifiers for Physician's Assistant and Peer Counselor have been added and some currently valid modifiers have been changed.

Effective January 1, 2014, the CMHC's are to use the enclosed tables when requesting DMS fee for service reimbursement. This change is due to the newly mandated Substance Abuse and Mental Health services which have been expanded to include the CPT codes H2014, H0018, H0020, H0035, H0038, H0040, H0050, T1012, S9484 and 96101.

Enclosure #1: CMHC Modifiers Crosswalk
Enclosure #2: Procedure codes and billing rates for Modifier U4
Enclosure #3: Procedure codes and billing rates for Modifier U1 (Physician's Assistant)
Enclosure #4: New Substance Abuse procedure codes and billing rates

This letter supersedes Appendix A of the Provider Billing Instruction for Community Mental Health Services - Provider Type 30, Version 4.0, January 18, 2011 Edition. Should you have any questions regarding this new information, please contact the Helen Vogelsberg 502-564-5560.

Sincerely,
