Re: Correction to Physicians' Fee Schedule Effective January 1, 2012

Dear Medicaid Providers:

As you are aware, the Physicians' Fee Schedule is updated annually. The Physicians' Fee Schedule for 2012 was recently updated and posted to the Department for Medicaid Services' (DMS) website. However, a file import error led to incorrect rates being included for established procedure codes.

This letter is to inform you that the Physicians' Fee Schedule for 2012 has now been updated with the correct rates. You can find it on DMS' website at www.chfs.ky.gov/dms.

Any claims that were reimbursed based on an incorrect rate will be reprocessed accordingly.

If you have questions or need additional information regarding this matter, please contact the Division of Provider Operations at 502-564-6890.

Sincerely,

Neville Wise/rdd
