The U.S. Department of Health and Human Services Secretary's Operations Center shares message with states and providers.

If your organization is the victim of a ransomware attack or have cyber threat indicators to share, please contact law enforcement immediately.

Contact your **FBI Field Office Cyber Task Force** immediately to report a ransomware event and request assistance. These professionals work with state and local law enforcement and other federal and international partners to pursue cyber criminals globally and to assist victims of cyber-crime.

Report cyber incidents to the **US-CERT** (United States Computer Emergency Readiness Team) and the **FBI's Internet Crime Complaint Center**.

For further analysis and healthcare-specific indicator sharing, please also share these indicators via email with **HHS' Healthcare Cybersecurity and Communications Integration Center (HCCIC)**.
