

merry christmas

Merry Christmas from Kentucky Commission on Community Volunteerism and Service

Dear Shannon,

Best wishes for this holiday season to our friends and national service family! The [KCCVS staff and commissioners](#) thank you for your service and support this past year, and we look forward to a wonderful year in 2012. AmeriCorps members are making sure the lives of so many Kentuckians get better each day, and we are so very proud to be a part of what they do. Again, thank you for a caring and compassionate 2011 and best wishes to you and yours for an even better 2012.

Sincerely,

Eileen Cackowski, Director
Kentucky Commission on Community Volunteerism and Service
