

## Restrictions on the sale of Tobacco Products in Vending Machines

Placement Restriction: KRS 438.315 (1994). The sale of tobacco products dispensed through a vending machine is prohibited to any person under the age of 18 years. The purchase of tobacco products dispensed through a vending machine is prohibited to any person under 18 years of age. Vending machines from which tobacco products are dispensed shall be located in the line of sight of the cashier for the retail establishment. This does not apply to vending machines located in factories, bars or taverns to which minors are not permitted access.

Penalty: KRS 438.315 (1994). Any owner of a retail establishment violating this section shall be subject to a fine of \$10 to \$25 for each violation.
