

CATCH THE MADNESS.....

Sentinel Laboratory Exercise

The Cooperative Agreement Grant from CDC requires us to exercise our Sentinel Labs. This exercise will consist of :

1. State Lab sending Sentinel Labs an unknown specimen.
2. Sentinel Labs following their protocols for identification of organisms.
3. Sentinel Labs using the box provided to send specimen to the State Lab as a potential infectious substance.

This exercise is scheduled for May 2006.

NCAA Trivia

How many days does the tournament last?

How many times has UK won the title since 1940?

Where is the championship game being held this year?

March 2006

Packaging and Shipping

Classes will be announced shortly. We are looking at dates in June and July. Classes will be offered in Frankfort and a location in the western part of the state.

The Kentucky Laboratory Sentinel
