Announcement for HCBS Final Rule – Stakeholder Engagement Meeting

The Cabinet for Health and Family Services (CHFS) is hosting a meeting for providers to provide input on the Home and Community-Based Services (HCBS) Final Rules implementation. CHFS encourages participation from stakeholders as it continues to develop the processes for ongoing compliance with the HCBS Final Rules. The meeting will focus on key indicators of provider compliance with the HCBS Final Rules and how information to document compliance can best be collected.
