

Radiology Services

In accordance with KRS [216.380](#)(5)(b), a critical access hospital shall provide, either directly or through contract, basic radiology services essential to the immediate diagnosis and treatment of the patient.

- If the critical access hospital provides radiology services directly, it shall be in compliance with 902 KAR [20:016](#), Section 4(6).
- If the critical access hospital contracts for radiology services, the radiology service it contracts with shall have a current license or registration pursuant to KRS 211.842 to 211.852.
