*January 1 through December 31, 2008
Published June 2009*

Cabinet for Health and Family Services
Office of Health Policy

2008 KENTUCKY ANNUAL HOME HEALTH SERVICES REPORT

INTRODUCTION

The Office of Health Policy announces the release of the 2008 Kentucky Annual Home Health Services Report. This office, established on July 16, 2005, is responsible for utilization data collection and reporting required by 902 KAR 20:008 (rev. 10-15-03) and in support of the State Health Plan 902 KAR 17:041 (rev. 12-12-07). This report shows all census data, age distribution together with total patients served, and patients served by discipline and number of visits. This report is organized by county within Area Development Districts (ADD). A map of the ADDs is included at the end of this section.

This report covers the services provided from January 1, 2008 to December 31, 2008. The file received from the Office of Inspector General (OIG), Division of Licensure and Regulation contained 112 Home Health Agencies. Data in this report covers 100% of all licensed home health agencies.

Data in this report are organized in three sections. Section I shows beginning census, admissions, discharges and ending census by agency and county of service. Section II shows total patients served by age category, agency and county of service. Section III shows the number of patients served and number of visits for various disciplines (skilled nursing, home health aide, physical therapy, occupational therapy, and speech therapy) for each agency during 2008. The agencies are grouped first by ADD then by county served. **ADD totals** appear throughout the report following all county data for each ADD. **Statewide totals** appear at the end of each section. In addition, Section IV contains information and changes regarding individual agencies during the year.

The Office of Health Policy produces eight utilization and services reports, which can be obtained by contacting our office. In addition to the Annual Home Health Services Report, the following reports are available: Hospital Utilization and Services Report; Long-Term Care Services Report; Hospice Services Report; Magnetic Resonance Imaging Registry Report; the Ambulatory Surgical Services Report, the Megavoltage Equipment Services Report, and the Positron Emission Tomography Services Report. These reports can be downloaded from the following website: <http://chfs.ky.gov/ohp/dhppd/dataresgal.htm>

Questions or comments regarding the data contained in this report should be directed to Sheena Lewis at (502) 564-9592, ext. 3539 or e-mail: sheena.lewis@ky.gov.

This report now becomes the most recent official data on home health services utilization published by the Cabinet for

Health and Family Services. For additional copies of this report, please submit a request in writing along with a check in the amount of \$20 made payable to the Kentucky State Treasurer to:

Home Health Services Report Summary

The following tables and graphs present statistics from the Kentucky Annual Home Health Services Report from 1999 to 2008.

The number of home health patients served in 2008 was 109,050. This number is well above the ten-year average (1999-2008) of 99,922 patients served. Overall, the number of patients served has increased 10% from 99,130 in 1999 to 109,050 in 2008.

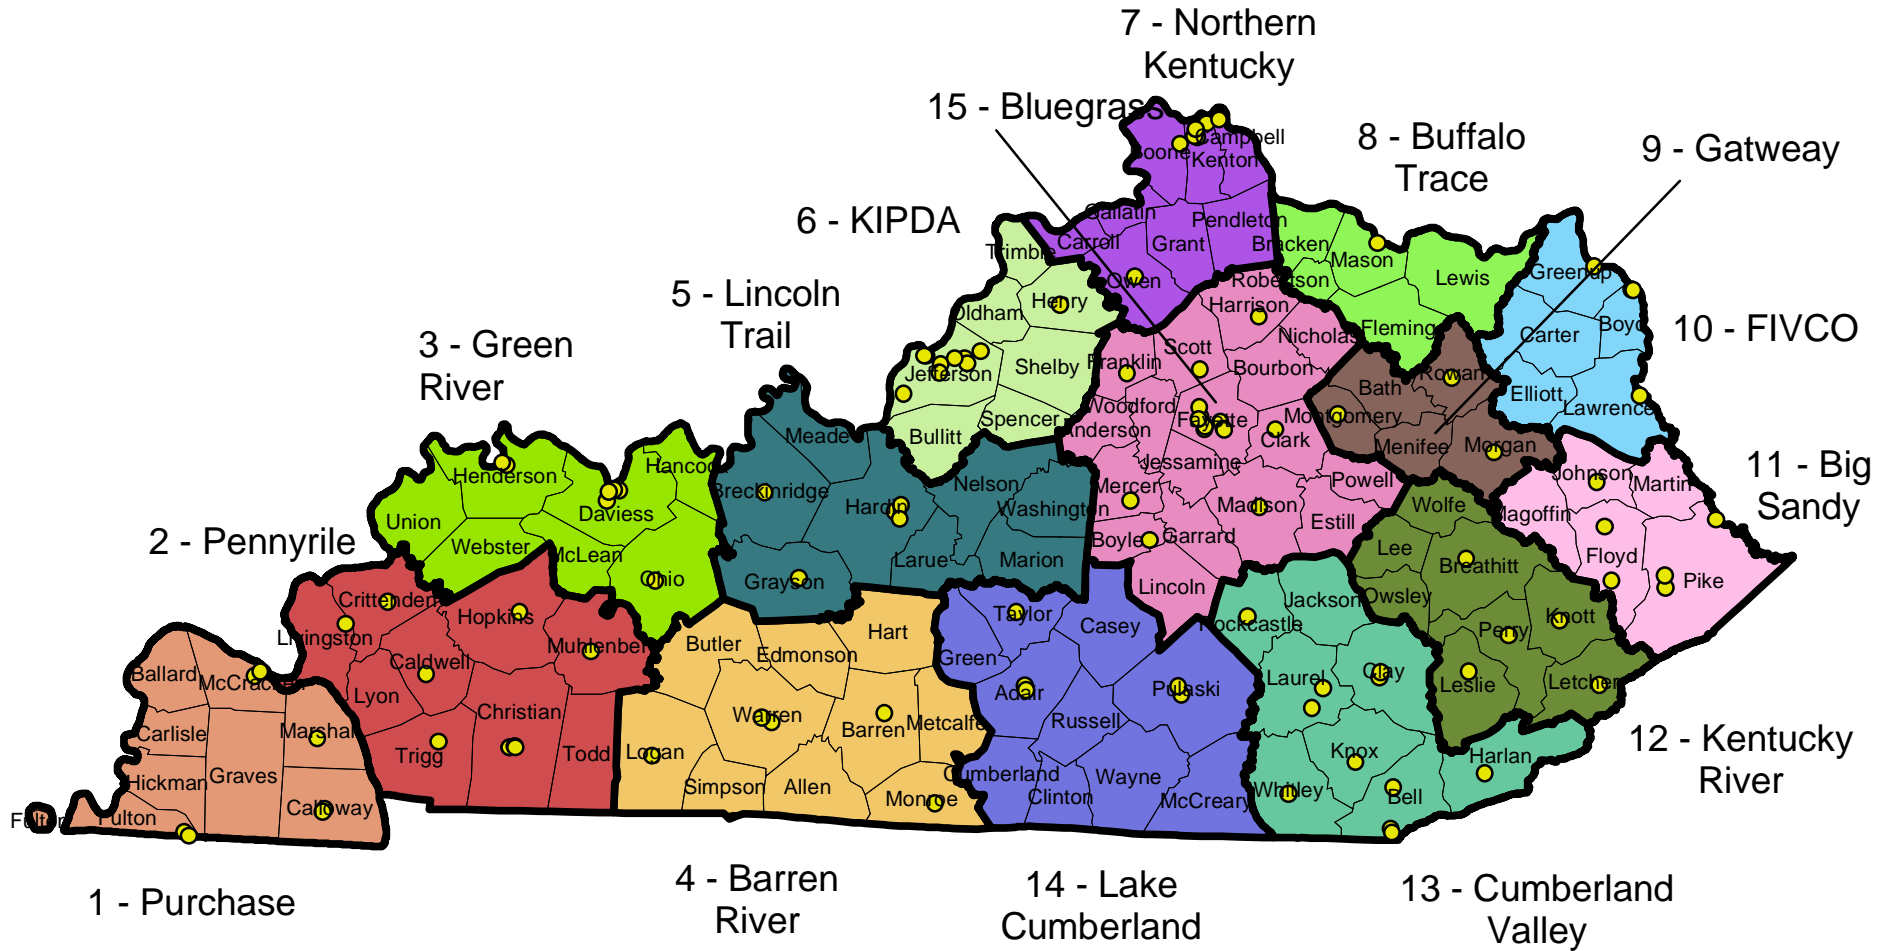

According to hospital discharge data for 2008, 56,682 patients were discharged from Kentucky hospitals to home health services. This number represents 9% of the 598,459 total patients discharged from Kentucky hospitals. Of the 56,682 patients discharged to home health agencies, 33,112 (58.4%) were females and 23,569 (41.6%) were males.

Individually, nine of the fifteen ADDs showed an increase in patients served from 2007 to 2008. Overall, patients served increased 3.2% from 2007 to 2008.

Data shows that the largest population of patients of home health services was from ages 75-84 consisting of 26% of the total patients in 2008. This trend has remained consistent from 1999 to 2008. Patients' age cohort 45-64 made up 23% of the patients served and 65-74 made up 19% of all patients served. Patients over 85 years of age made up 18% of the total number of patients served. These figures seem logical since it is expected that as people age; they will require more health services. However, there are less people in the over 85 age group in the total population and many of these may require higher levels of care than can be provided by home health agencies. Analysis of the age distribution among home health patients from 1999 to 2008 shows change over the past ten years.

Charts representing the data discussed in this summary are presented on the following pages.

*2008 Kentucky Annual
Home Health Services Report*

*Section IV
Notes*

Report Notes

Cardinal Hill Home Care

Due to system changes, the statistics for 2008 may not interface with statistics from previous years.

Community Alternatives Home Care

Waiver clients were inadvertently included in 2007 statistics; therefore, the ending census for 2007 and the beginning census for 2008 do not match in Bullitt, Henry, Jefferson, and Trimble counties.

Hayswood Home Health Service

MASON

The ending census for 2007 does not match the beginning census for 2008. The 2007 ending census was incorrect.

Integrity Healthcare Services

2009 - Change in name to Walgreens-OptionCare, Inc.

Memorial Hospital Home Health

The beginning census for Clay County does not match the ending census for 2007 due to system changes.

Mepco Home Health Agency

MADISON

Madison County includes 2 locations Richmond and Berea.

Murray Calloway County Hospital Home Care Svcs

Both Calloway and Marshall counties had a waived program inadvertently counted in the 2007 ending census. The 2008 number is different as no waived programs were counted for the year.

Option Home Health, Inc.

BOONE

Patients that were subcontracted should not have been reported so these were closed at the beginning of 2008. Those were not reported this year and some that had Boone county addresses were actually seen in the infusion suite in Kenton County so their visits were transitioned and counted under Kenton County this year.

Rockcastle Hospital Home Health

The ending census for 2007 and the beginning census for 2008 do not match due to an error in calculating report for 2007.

ROCKCASTLE

Beginning census of 2008 does not match ending census of 2007 due to an error in calculations of 2007 Report.

St. Elizabeth Home Health Agency

Patients were mothers/babies postpartum who were admitted on the day seen and then discharged. Numbers are for St Elizabeth Medical Center from January 01, 2008 through July 7, 2008. After this time St. Elizabeth Medical Center no longer performed visits. Visits were then referred to St Elizabeth-ANC Home Care.

St. Joseph - ANC Home Care Services

On October 13, 2008 American Nursing Care of Lexington and Saint Joseph Home Care formed a partnership. Please note that at that time the name changed to Saint Joseph-ANC Home Care and the address is 1736 Alexandria Drive, Suite 225; Lexington, KY 40504. 2008 reported data includes data for American Nursing Care from 1/1/08-10/12/08 and data for the combined Saint Joseph-ANC Home Care from 10/13/08-12/31/08.

Taylor Regional Hospital Home Health

Due to staffing limitations, TRH HH served no patients in LaRue county in the year 2008

Three Rivers Home Care

Due to an error in 2007 reporting, the ending census for 2007 and the beginning census for 2008 do not match in Lawrence and Martin counties.
