**OVERVIEW OF SERVICES AVAILABLE
THROUGH KENTUCKY'S
RYAN WHITE AND STATE-FUNDED
SERVICES PROGRAMS**

January 2012

Kentucky HIV Direct Services

Mission: To enhance access to and retention in primary health care and support services for qualifying Kentuckians (clients) living with HIV disease.

Goals of Kentucky HIV Direct Services

1. Client self sufficiency (to the extent possible) through good care plan monitoring and holistic support
2. Prevent duplication of health and support services among providers
3. Education about HIV disease transmission and health choices
4. Ongoing HIV disease education to the general and health care communities
5. Efficient and effective use of resources

Structure of Kentucky HIV Direct Services

Kentucky Care Coordination Program (KHCCP) - A network of regional sites by which clients may access quality primary health care and other support services in or near the communities in which they live. In order to access direct services in Kentucky, you must enroll in the KHCCP

Kentucky AIDS Drug Assistance Program (KADAP) – Provides clients with HIV/AIDS related medications

Kentucky Health Insurance Continuation Program (KHICP) – Assists clients with maintaining pre-existing private health insurance

Funding

Kentucky receives federal funding through the Ryan HIV/AIDS Treatment and Modernization Act of 2006, and also non-federal funds through the State of Kentucky

Eligibility Criteria (Proof required)

- Household income must be 300% or less of the current federal poverty level
- Total cash assets must be less than \$10,000
- Must be a resident of Kentucky
- Must be HIV positive
- You cannot be eligible for similar assistance from another payer source

The overall intent of the services programs is to provide clients with a continuum of care utilizing existing community-based services to the greatest extent possible. See Kentucky's HIV Care Coordinator Regions →

COMMUNITY BASED ORGANIZATIONS PROVIDING HIV PREVENTION SERVICES

Agencies funded in part with CDC Cooperative Agreement funds are indicated with the Kentucky AIDS logo: 

AIDS Interfaith Ministries of Kentuckiana (AIM) provides support services to individuals living with HIV/AIDS and their families in the Louisville area. (502) 574-6085 <http://www.aimkyonline.org/>

AIDS Services Center Coalition (ASCC) is a coalition of agencies whose primary goal is to direct the public to appropriate AIDS service agencies, literature distribution, and provide a HIV/AIDS resource directory. The agency has an extensive volunteer network. (502) 574-5490 www.ascinc.org

AIDS Volunteers of Cincinnati (AVOC) located in Cincinnati, OH is a community-based organization that provides a wide variety of services to individuals diagnosed with HIV/AIDS and to the broader community, especially high-risk populations where HIV exposure is more likely. Although AVOC primarily serves Cincinnati and southwest Ohio, they offer many of their services to individuals and groups in Northern Kentucky. These services include community outreach, prevention and education presentations, street outreach to women in underserved communities, testing and counseling services, an informational and referral hotline and a speaker's bureau. (513) 421-AIDS (2437) www.avoc.org

AIDS Volunteers of Northern Kentucky (AVNK), located in Florence, KY was founded in 1990. AVNK seeks to understand and address the emotional, educational, social, spiritual and physical needs of the people in Northern Kentucky and surrounding communities who are living with HIV/AIDS, and the needs of their families, partners, friends and caregivers. AVNK strives to inform the general community about HIV/AIDS related issues for purposes of education, mobilization, prevention and advocacy. AVNK provides a number of services including three support groups, a monthly dinner/social, healing weekends, respite care, emergency financial assistance, memorial services, outreach to minority communities, World AIDS Day services and Healing Weekends. (859) 512-7925 e-mail mconnley@insightbb.com

 **AIDS Volunteers, Inc. (AVOL)** located in Lexington is a community based organization that provides HIV and AIDS education, prevention initiatives, service programs and financial assistance to persons infected and affected by HIV disease in all of Central and Eastern Kentucky. Some of the services provided by AVOL include: a speakers' bureau, support groups, financial assistance, case management, transitional housing for those who are homeless and HIV+, a community residence for those in the end stages of AIDS, community outreach, condom distribution, educational programs and materials, and prevention activities. Funding for AVOL comes from community donations, fund raisers and grants from private foundations, as well as local, state, and federal sources including HUD (HOPWA) and the United Way. Approximately 75-100 volunteers are consistently involved throughout the year for day to day operations, programs and services, volunteer caregivers and fundraising events. Program referrals and linkages are through the health departments, other volunteer organizations and HIV Care Coordinators. (859) 225-3000; Fax (859) 225-9244; <http://sites.google.com/site/avolky/>

American Red Cross (ARC) is located in nearly every county in Kentucky. The number of ARC employees range from one or two in the smaller communities to more than 300 in the Louisville Chapter. Budgets are also diverse, with smaller chapters having budgets of a few thousand dollars to in excess of a hundred thousand dollars in Lexington and Louisville. There is disparity in the provision of HIV/AIDS services among counties, with smaller, more rural counties believing that there is "no problem" in their community (thus no reason for services) to the larger, more urban chapters offering quite a range of services. HIV/AIDS services include the distribution of brochures, AIDS 101 training, peer training for adolescents, African American AIDS 101 training, Hispanic AIDS 101 training, rural and church leader AIDS 101 training, prison personnel training, and a program specifically entitled "AIDS in the Workplace" which is designated for businesses and industries. (502) 589-4450 <http://www.louisville-redcross.org>

Bluegrass Care Clinic (BCC), located in Lexington is a Ryan White CARE Act Part C grantee. The BCC provides both clinical and support services for HIV/AIDS patients and their affected families in 63 counties through Central and Eastern Kentucky. The BCC staff are trained to provide harm reduction information and counseling regarding drug use, sexual activity and other high risk activities for HIV transmission and infection. In addition, the BCC also provides pre/post test counseling and testing. (859) 323-5544; Fax: (859) 257-2040; www.mc.uky.edu/bluegrasscareclinic

Bluegrass Community Health Center (BCHC) (formerly Bluegrass Farmworker Health Center) is a non-profit Federally Qualified Health Center with two Lexington clinic sites. The health center provides patient-centered preventive and primary healthcare, including HIV testing, for pediatric, adult, and geriatric patients. BCHC provides services to the uninsured and accepts Medicaid, Medicare and many private insurances. Most of BCHC patients are charged on a sliding fee scale based on the family size and income (federal poverty guidelines). BCHC was originally established in 2001 with a federal 330 health center grant to serve local farm workers. In 2007, additional grant funding awards allowed an expansion to serve the greater community, including uninsured patients and people experiencing homelessness. BCHC's

dedication to serving a diverse population encouraged the employment of many bilingual employees to supplement telephone interpreting services.

Office: (859) 259-2635; Fax: (859) 254-7874. BCHC sites: 1306 Versailles Rd. Lexington KY 40504, 151 N. Eagle Creek Lexington KY 40509. <http://www.bfhc.eku.edu/>

Episcopal Diocese AIDS Ministry, located in Lexington, provides care and support through bi-annual social dinners. All meals and additional limited supportive services are provided free of charge. The Episcopal Diocese AIDS Ministry can also serve as a referral source/linkage for other ASOs in the region. Contact: Lisa – lisainky@adelphia.net

Harlan Countians for a Health Community located in Baxter, is a coalition of healthcare providers, consumers, and other interested agencies whose purpose is to improve healthcare in Harlan County. (606) 573-6115

Hazard Perry County Community Ministries is located in Hazard. Their purpose is to meet community needs through supportive services (outreach and case management), crisis aid, homeless shelter, transitional housing and childcare. (606) 436-0051 <http://www.hpccm.org/>

Heartland CARES, Inc., located in Paducah is a non-profit organization, serving people with HIV and AIDS in the Western Kentucky and Southern Illinois regions. The mission is to provide various components of care needed for persons living with HIV and AIDS regardless of ethnicity, gender, religious, beliefs, sexual orientation, or ability to pay, and to provide education and prevention to the general public to help stop the spread of HIV and STDs. Medical services are primarily supported through Ryan White Part C funding. The clinic also has numerous supporting services, which include Ryan White Title II Care Coordinator Program, HOPWA Grant Emergency Assistance, Supportive Housing Grant Assistance, SAMHSA-CSAT Grant, HOPWA SPNS and HOME Grant. Heartland CARES houses the Western Kentucky Prevention Team that is responsible for HIV/AIDS prevention in 42 counties. (270) 444-8183 <http://hcares-org>

House of Ruth provides social, emotional and financial support to people living with HIV/AIDS in the Louisville/Jefferson County area. (502) 587-5080 <http://www.houseofruth.net/>

I.N.D.Y (I'm Not Dead Yet) Project founded in 1994 serves Northern Kentucky. INDY is an organization dedicated to the enhancement of life for individuals affected by HIV and AIDS by providing social outlet in a variety of environments and frameworks with one basic goal in mind: having fun! Members and sponsors attend and host picnics, movie nights, dinners, camping trips, art events and parties. The group is dedicated to the proposition that through the joy of celebrating life there is hope and healing, and celebration is best engaged through groups of likeminded individuals. (859) 512-7925 e-mail mconnley@insightbb.com

 **Matthew 25 AIDS Services, Inc.** located in Henderson is a Ryan White CARE Act Parts B and C and CDC Prevention PA04064 Grantee. They are a provider of primary health care to PWHIV and LWA, in Daviess, Henderson, Union and Webster counties. Services include medical case management and referral, a buddy program, literature, spiritual support and referral, financial assistance and referral, a speakers' bureau, support groups (positive, family and friends), transportation and prevention education for the community and medical professionals. Matthew 25 also distributes HOPWA funds and does counseling and testing for HIV (blood and oral testing). (270) 826-0200 www.matthew25clinic.org

Moveable Feast (MFL) is a nutritional support program, serving people living with HIV disease and their dependent children living in the Lexington/Fayette County area. Clients receive social support and a hot, freshly cooked dinner five days a week. MFL can also serve as a referral source to other ASOs in the region. All services are completely free of charge. (859) 252-2867; www.feastlex.org

North Central AHEC/HETC: The mission of the North Central AHEC is to promote healthy communities through innovative partnerships. This is accomplished by providing educational support services to health professions students and health care providers, community health education and programs to encourage health professions as a career choice.

In order to address HIV prevention in Kentucky's growing Hispanic community, the Kentucky DPH has identified agencies providing other services to our Hispanic population and provided capacity building assistance to help these agencies provide HIV prevention activities including HIV antibody testing.

North Central AHEC/HETC collaborates with Area Health Education Centers across the state who recruit individuals from Hispanic communities, provide training, and utilize them to conduct HIV prevention activities in their communities. AHECs in Lexington (covering 5 counties) and Covington (covering 4 counties) currently conduct outreach in Hispanic communities, provide HIV testing, and conduct two community level intervention (Juntos and Promotores de Salud). A third AHEC in Louisville conducts similar activities with African-American communities. North Central AHEC/HETC also collaborates with the Bluegrass Farmworker Health Center to provide additional outreach to migrant farm workers as well as testing.

The Lexington and Covington AHECs as well as the Bluegrass Farmworker Health Center have been extremely helpful in providing interpreters and assisting Hispanic clients receive services from other service providers who lack Spanish speaking employees. <http://www.nckyahec.org/>

Owensboro Area HIV/AIDS Task Force, Inc. is a non-profit CBO funded by donations. This agency serves its clients with emergency financial assistance, transitional housing, and acts as an advocate with property owners, utility companies, Social Security, HOPWA and other community service agencies. Volunteers also provide community outreach services with HIV prevention and risk reduction programs to targeted populations and various communities, medical professionals and local organizations. Members of the Task Force are state certified pre and post-test counselors as well as certified to administer OraSure for HIV testing. Members are also certified to inspect potential housing for clients wishing to obtain HOPWA funding. The Task Force is a certified partner of the Balm in Gilead. A support group for PWHIV is in place. They act as a referral source to all the available assistance programs for clients.
