

How To Apply to Be An AmeriCorps Member

To apply to be an AmeriCorps member, you will need to create an account with the AmeriCorps Recruitment System / *My AmeriCorps*:

1. Go to MyAmeriCorps, <https://my1.americorps.gov/mp/login.do>
2. Click on "Apply to Serve" at the bottom of the page
3. Complete the requested profile information
4. Once you receive your account information via email, log into the MyAmeriCorps portal and use the navigation pane on the left to complete your application and reference information
5. When your application is complete, click "Search Listings"
6. Type "[the name of the program you are interested in](#)" into the Program Name field (ignore all the other fields)
7. Click "Search"
8. Click the listing to view program information
9. Read the program information and then click "Apply Now" at the bottom of the page.

IMPORTANT NOTE:

With this new system, you need to select the program(s) you are applying for **AFTER** you complete the application, **not before**. Even if you find the program first and select "Apply Now" at the bottom of the posting, the application is **not** automatically sent to the program. **You HAVE TO do apply AFTER completing the application.**

Also, be sure to look at the last page of your application in MyAmeriCorps. When program staff opens the selection "tab and return to the workbasket," it will trigger the change of status from "Submitted" to "Under Review" and you (the applicant) is notified of this status change. If program staff "Rejects" the applicant, you also get an email. Both e-mails read the same:
