Dear Kentucky Medicaid Providers:

As a reminder effective April 1, 2013, all physical, occupational, and speech language pathology therapy services for Michelle P Waiver members under the age of 21 must be prior authorized through the EPSDT Special Services program. HP Enterprise Services, Carewise Health and the Department for Medicaid Services will be providing training via webinar on March 20th and March 27th beginning at 09:30 a.m. EST. Each session will provide an overview of the criteria, the prior authorization and billing process.

To register for the webinar, please email the following information to UM_Research@hp.com:

- Contact Name/Phone Number
- Email Address
- Facility Name/Provider Number
- Date you will attend
- Number of Computers

Your prompt response is greatly appreciated as we will send a confirmation email to attendees with a test link that must be opened and tested prior to the webinar. Approximately 5 days prior to your scheduled and confirmed webinar you will receive an email that includes a conference phone number and instructions for entry into the webinar. The following requirements must be met for you to be able to participate in the webinar:

- Internet connection using Internet Explorer 6.0, 7.0 or 8.0
