The Kentucky Laboratory Sentinel

Save the Dates!

How long has it been since you have been trained to package and ship Infectious substances?

Ship by Air - Every two years

Ship by Ground - Every three years

Although the KY Division of Laboratory Services provided packaging and shipping training in 2008, only 26 Sentinel Hospitals were represented with 60 laboratory personnel trained. We are offering six **FREE** classes throughout KY in 2009.

Locations and dates are below.

March 24 - Rough River State Resort Park

March 25 - Frankfort Centralized Lab Facility

March 26 - Lake Cumberland State Resort Park

April 14 - Frankfort KHEAA building

April 15 - Jenny Wiley State Resort Park

April 16 - Cumberland Falls State Resort Park

Registration will be through TRAIN.
