School Tobacco Policy 2011

Please complete the survey below. Make sure you complete a disposition sheet for EACH school you are interviewing. If you need to stop a survey before it is complete, you may do so by clicking "Save and Return Later." However, you MUST note the code you are given as you will have to enter it to continue the survey. Some responses are required before the survey can be submitted -- you will see "*"required" when a response is required for submission.

Please contact Kathy Begley (kathy.begley@uky.edu or 859-323-8539) if you have any questions or need assistance.
