

Who Will Help Me Transition Into the Program?

The Regional Transition Coordinator will work with you throughout the process. The coordinator is a registered nurse, a social worker, or an ICF/MR Specialist and will:

- Provides one-on-one training about ***Kentucky Transitions*** to you, your legally appointed guardian (if applicable), family members and other interested parties
- Obtains an informed consent and conducts a screening for eligibility to transition
- Completes an assessment of your clinical and social needs
- Work with you, your legally appointed guardian (if applicable), family members and other interested parties in developing and implementing ***your*** transition plan.
