

# Sentinel Meeting

Thanks to all of the laboratories that came to the KY Sentinel Laboratory Meeting. We had a lot of networking and it was great to see old and new faces.

The B-Safe flip charts for bioterrorism rule in/out reference were distributed. If your laboratory didn't attend, these were mailed to your sentinel contact.

The Kentucky Laboratory Sentinel

## CAP

Oh, what a web we weave. The LPS now has a new name. It is now being referred to as the Laboratory Preparedness Exercise. The state lab will pay for the LPX 2008 for our sentinel sites. You will automatically be signed up if you participated in 2007. Those that want to sign up for 2008 that didn't participate this year, please send me an email.

LPX Release Dates:  
May 19, 2008

Sentinel Site Survey

It is time to update our records. A short customer satisfaction survey will also be included.
