# 2015 KENTUCKY ANNUAL MAGNETIC RESONANCE IMAGING SERVICES REPORT

## INTRODUCTION

The Office of Health Policy of the Cabinet for Health and Family Services announces the release of the 2015 Kentucky Magnetic Resonance Imaging “MRI” Services Report. The collection and reporting of this data is required by 902 KAR 20:008 and 900 KAR 6:125.

This report covers the period of January 1, 2015 through December 31, 2015. It includes MRI procedure utilization for all **licensed** MRI units operating in Kentucky that are compliant with the Kentucky licensing and regulation reporting requirements.

Certificate of Need “CON” of the Office of Health Policy defines its criteria for MRI types as mobile, freestanding or hospital based MRI units. A hospital based MRI is a unit that operates under the hospitals’ CON and license, regardless if the service is provided by a mobile service to the hospital. A freestanding unit operates independently under its’ own CON and license and is operated independently. A mobile unit operates under its’ own CON and license and provides services to various locations.

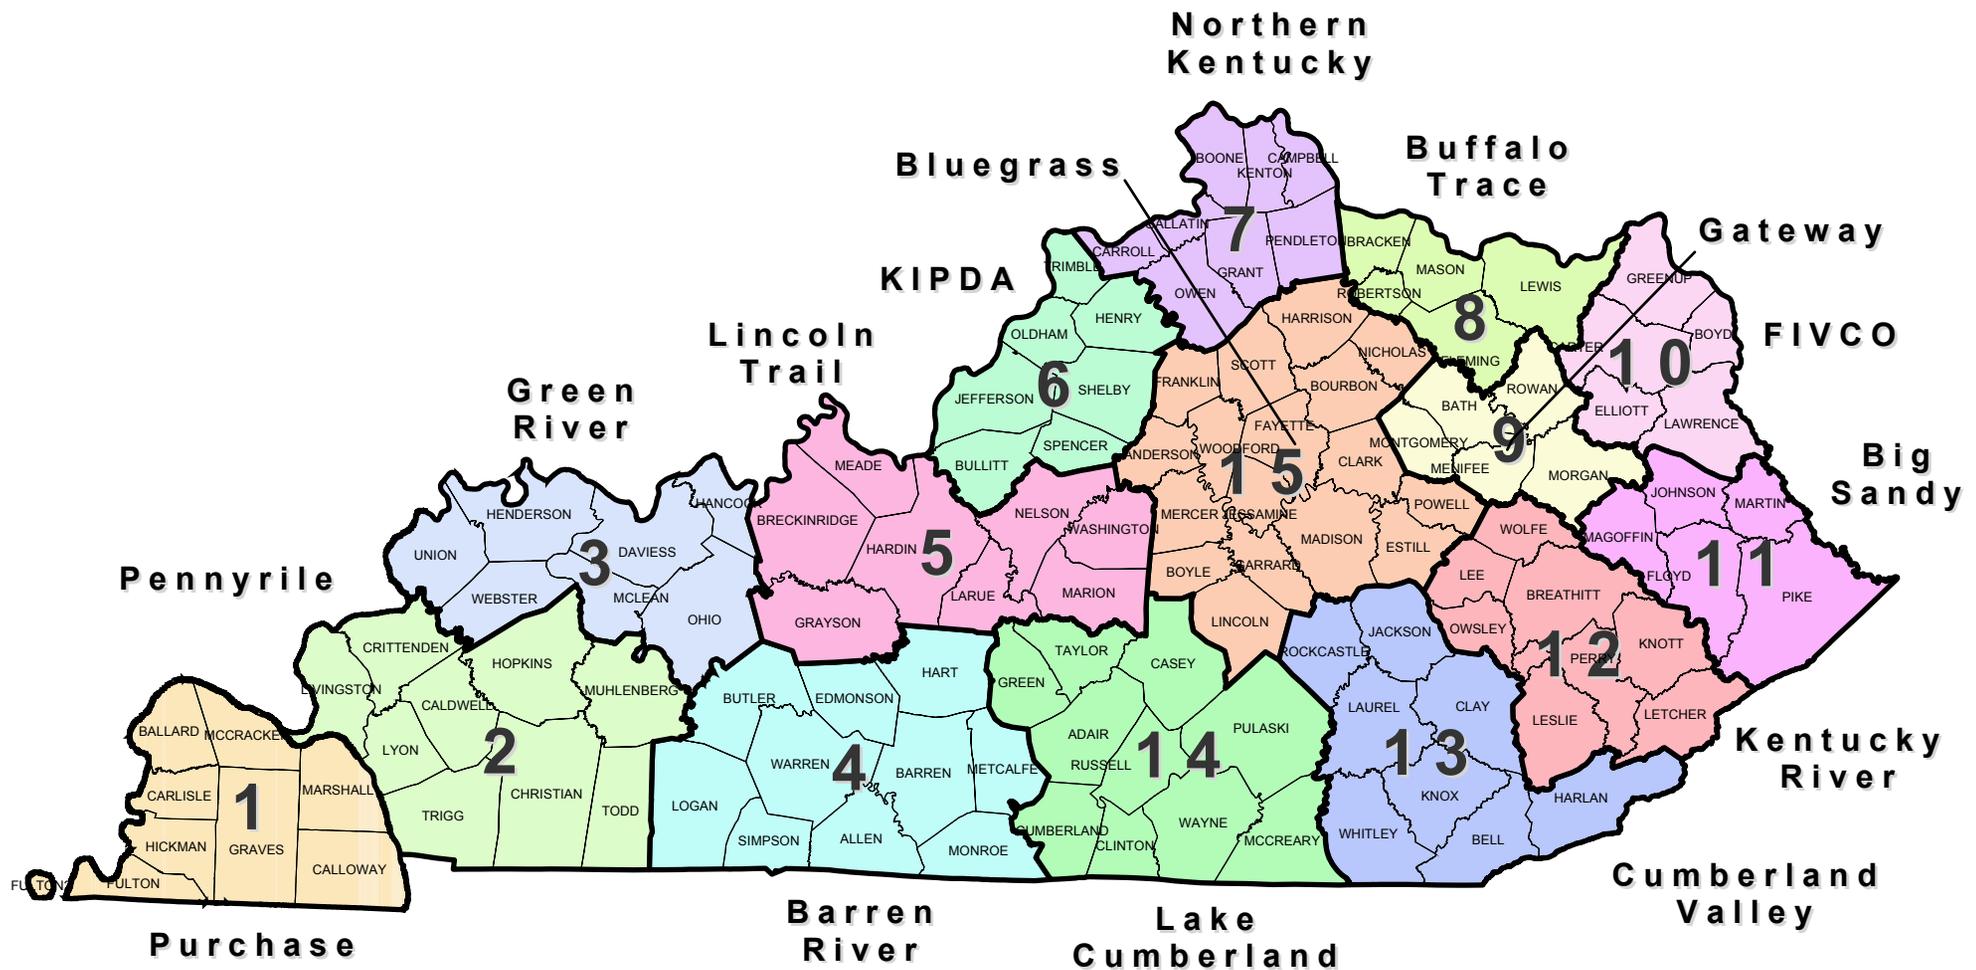

The 2015 report contains a Review Section which includes the total MRI utilization for each year from 2006 through 2015 for the licensed MRI units. The total MRI utilization data is shown in the Review Section by Area Development District “ADD”. A list of the ADD’s with the corresponding counties is provided as a reference. An ADD map is also included in the report. Questions or comments should be directed to Beth Morris at (502) 564-9592 ext. 3156 or e-mail: [betha.morris@ky.gov](mailto:betha.morris@ky.gov).

Sections of this report include two tables and comments. They include a table for Licensed Facilities, Equipment Data and a Comments Section.

This report becomes the most recent official data on Magnetic Resonance Imaging Registry of services utilization published by the Cabinet for Health and Family Services. For additional copies of this report, see the following web site <http://chfs.ky.gov/ohp/dhppd/dataresgal.htm> or please submit a request in writing, along with a check in the amount of \$20 made payable to the Kentucky State Treasurer to:
