Dear Mr. Kissner:

Thank you for your correspondence dated May 23, 2014 requesting that the Centers for Medicare & Medicaid Services (CMS) approve Kentucky's contract amendment between The Commonwealth of Kentucky and University of Kentucky Research Foundation (UKRF), to support Medicaid provider outreach.

*FTI  
6/30/14*

Contract amendment (number PO2 746 14000055331) is entered into with UKRF at a fixed price not to exceed \$2,247,750. The term of the contract amendment begins on July 1, 2014 and will end on September 30, 2015.

CMS previously approved an Implementation Advance Planning Document (IAPD) on April 21, 2014 with an expiration date of September 30, 2015, for \$24,171,534 (Federal share \$21,754,381).

CMS completed its review of the contract amendment and approves it effective on the date of this letter, in accordance with Federal regulations at 42 CFR § 495, subpart D. Authorization of Federal funding for this contract will be effective as of the date of this letter and will expire September 30, 2015, with total contract expenditures not to exceed \$2,247,750 (Federal share \$2,022,975). Please forward a copy of this signed contract once it is executed.

Any change in the approved IAPD scope, cost, or schedule requires CMS prior approval of an IAPD amendment in accordance with the provisions of 42 CFR Part 495, Subpart D.

We look forward to working with you as you proceed through the implementation process of your Medicaid HIT project.
