

# Leveraging ICD-10 for Excellence

*ICD-10 presents us with an opportunity to focus on what really matters...population health.*

# Welcome

## CMS strives to focus on what really matters:

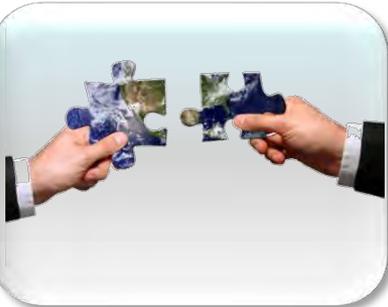

- **Better Care - *Working together to improve care coordination***
- **Better Health - *Keeping people healthy***
- **Lower Healthcare Costs - *Spending dollars wisely***

## Today's Session Objectives:

- **To gain an awareness of the complexity of ICD-10 and the challenges implementation brings to our core business.**
- **To gain an understanding of how ICD-10 can be leveraged to SMAs' advantage.**
- **To provide an opportunity to share best practices and implementation strategies.**

## CMS has partnership with Noblis:

- **CMS has partnered with Noblis to provide advisory services, training and ICD-10 Technical Assistance to State Medicaid Agencies.**
