Re: Medicare Denials

Dear Kentucky Medicaid Provider:

The Department for Medicaid Services has identified several service codes billed by your provider group that are deemed "not covered" by Medicare. In the past, you were required to submit a denial for payment from Medicare before being able to bill these codes to the Department for Medicaid Services.

The Department for Medicaid Services will now permit providers to submit certain claims without a denial from Medicare, specifically for the following codes:

90804 – U2	90853 – U2	90847 – U2
90804 – U3	90853 – U3	90847 – U3
90804 – U5	90853 – U5	90847 – U5

Should you have any questions regarding this new information, please contact the Division of Community Alternatives at 502-564-5560.

Sincerely,

Elizabeth A. Johnson
Commissioner
