SOCIAL SERVICES COORDINATOR

JOB TITLE: Social Services Coordinator
GRADE: 19

JOB CODE: 2401
DATE: 11/8/95

GENERAL FUNCTION: Under administrative direction of the Director of the local health department, in addition to providing professional social work services, supervises professional social work staff and other closely related staff in providing a social work program to support the medical services provided by the health department. At least fifty (50) percent of the incumbents activities would be divided among supervising staff, administrative, program evaluation and financial management. The incumbent would be the primary person for linkage with state and other appropriate individuals and agencies in maintaining services according to program standards. The position may also supervise staff activities within a program area such as home health, home and community-based waiver, or other programs where professional and supportive staff would be supervised.

CHARACTERISTIC DUTIES AND RESPONSIBILITIES:

Supervise social workers and appropriate staff (clinical assistants, homemaker, social service aide, etc.) in the provision of social work services for patients of the local health department.

a. assist in analyzing schedules of staff to see patients through the clinic and/or home setting.

b. review social service documentation by staff to ensure completeness and accuracy.

c. observe staff in the process of related services through direct observation, discussion with staff and co-workers, and patient interview.

d. complete performance evaluation as appropriate.

e. review various reports available through the network to monitor caseloads of staff, service provision, and expenditures/receipts for social service.

Plan, prepare, and conduct in-service education programs in social work for professional and allied health staff to keep abreast of social work practice and change in program standards.

Prepare reports and summarize progress and activities at regular intervals.

Maintain an appropriate caseload of patients and provide social work services. Conducts serial assessment of patient, the clinic or home setting, develops a treatment plan in
JOB TITLE: Social Services Coordinator (Cont'd)        JOB CODE: 2401

conjunction with medical and allied health staff, and provide case management according to treatment plan.

Attend meetings to represent the agency at the local, state, and regional levels to obtain information on social service program, changes in program standards, and program management, to maintain current.

Speak before area groups and organizations and other interested organizations on particular programs.

Advise the agency director, members of the medical staff, and other program staff on social services programs and standards.

SUPERVISION RECEIVED: General direction, working from broad goals and policies only; incumbent participates heavily in setting work objectives.

SUPERVISION EXERCISED: This position would require supervision of social worker(s), social support staff, and/or appropriate allied health staff.

JOB SPECIFICATIONS:

Knowledge and Abilities:

Considerable knowledge of social work methods and practices.

Ability to plan and organize the work of staff.

Ability to supervise and inspect the work of subordinate staff.

Ability to write technical, professional and administrative reports.

Ability to exercise exceptional judgment in the planning and initiating of social service programs.

Thorough knowledge of the function/organizational structure, authority and limitations of the local health department and of other governmental jurisdictions and agencies in the area.

Ability to establish and maintain effective working relationships with governmental officials, other employees, and the general public.

Considerable knowledge of the practice, systems, and policies of the agency and ability to interpret them concisely and accurately to the public and employees.
Ability to exercise individual initiative and use discretion in confidential matters.

**Minimum Education, Training and Experience Requirements:** Masters degree in Social Work or Psychology. Two (2) years of experience working in a public health agency in social work or other agency where social work knowledge, skills and abilities can be developed and applied

OR

Bachelors degree in Social Work or Psychology. Four (4) years of experience working in a public health agency in social work or other agency where social work knowledge, skills and abilities can be developed and applied.

The intent of this job description is to provide a representative summary of duties and responsibilities that will be required of positions given this title and shall not be construed as a declaration of the specific duties and responsibilities of any particular position. Employees may be requested to perform job-related tasks other than those specifically presented in this description.

DIRECTOR OF SOCIAL SERVICES

JOB TITLE: Director of Social Services
GRADE: 22

JOB CODE: 2404
DATE: 11/8/95

GENERAL FUNCTION: Under administrative direction, plans, directs, organizes, and supervises a social service program to meet the social needs of patients being served by the local health department. The position would be primarily for a health department large enough in scope to provide comprehensive social services requiring social worker staff (both entry and senior) and other appropriate staff (primarily supportive and allied health) in meeting the needs of patients being served by a local health department. The incumbent would spend the majority of time (in excess of 80%) in overseeing a complete social service program for the agency. Overseeing would include planning for services, implementing those services, directing and supervising staff to carry out and provide social services, performing administrative and financial management functions, evaluating the effectiveness and efficiency of social service programs, and advising the Director of the agency on social service program(s).

CHARACTERISTIC DUTIES AND RESPONSIBILITIES:

Controls and coordinates the work of employees providing social services to patients receiving services from the agency. Ensure that staff are scheduled according to the requirement of patient loads at the clinic and home setting.

Monitors the status of the social service program through the review of appropriate reports, staff meetings of social service staff and medical staff meetings.

Participates with program staff and administration in the formulation of the annual budget process. Monitors expenditures and revenues for services provided and makes appropriate recommendation for action as necessary.

Evaluates, interprets and applies all policies and procedures relating to the social services program for staff, management, and clients.

Initiates the process for recruitment of staff, interviews applicants as appropriate and makes recommendations for the appointment of and assigns social work staff.

Performs performance appraisal for subordinate supervisory and non-supervisory staff. Counsels employees experiencing problems and initiates appropriate action when indicated.

Meets with civic groups, public officials and the general public to explain program services, policies and regulations.
Attends special training programs, policy meetings at the state and regional sites to maintain current on regulations, program standards regarding social services.

Initiates on-the-job training, staff meetings, employee orientation programs to assist staff in keeping abreast of program requirement.

Advises the director of the agency and other members of the professional staff regarding the social services program policies, eligibility criteria for services and standards.

Provides social services assessment and case management as appropriate.

**SUPERVISION RECEIVED:**  Policy direction only; incumbent sets virtually all objectives.

**SUPERVISION EXERCISED:**  This position would require immediate supervision of social service supervisory staff, professional social workers as appropriate, and support staff.

**JOB SPECIFICATIONS:**

**Knowledge and Abilities:**

**Minimum Education, Training, and Experience Requirements:**  Masters degree in Social Work or Psychology. Three (3) years of experience in social work preferably with one (1) year of supervisory experience

OR

Bachelors degree in Social Work or Psychology. Four (4) years of experience in social work preferably with one (1) year of supervisory experience.

The intent of this job description is to provide a representative summary of duties and responsibilities that will be required of positions given this title and shall not be construed as a declaration of the specific duties and responsibilities of any particular position. Employees may be requested to perform job-related tasks other than those specifically presented in this description.
