July Workgroup(s) Output – HIT Infrastructure Breakout #5

July 2015

July HIT Infrastructure Breakout Activity

In the July HIT Infrastructure workgroup, members revisited the five components of the HIT Plan Strategy developed during the June workgroup in a breakout activity. They formed five groups and rotated to discuss these five components across the four key design elements of the KY SIM Straw Person for 20 minutes each.

HIT Infrastructure Breakout #5 – Interoperability and Integration

What is the best use of technology in integrating and coordinating care? How can shared information be transmitted and stored securely?

HIT Infrastructure Breakout #5 – Interoperability and Integration

What is the best use of technology in integrating and coordinating care? How can shared information be transmitted and stored securely?
