

## Kentucky AmeriCorps Member Satisfaction Survey Results

The satisfaction score for Kentucky is 2.68. The satisfaction score for AmeriCorps State ranged from 2.13 to 2.68. This range does not reflect those states with less than ten survey completions.

The training score for Kentucky is 2.26. The training score for AmeriCorps State ranged from 1.43 to 2.55. This range does not reflect those states with less than ten survey completions.

**The supervision score for Kentucky is 2.56. The supervision score for AmeriCorps State ranged from 1.92 to 2.64. This range does not reflect those states with less than ten survey completions.**

The information is intended for use by the commission in the management of programs only. It will not be used in the upcoming GARP process. As you can see, the results for the Kentucky programs are very positive. You exceed the AmeriCorps State Average in all categories!

Just let me know if you have any questions. It was great to see you this week in D.C.!

Have a great weekend.
