

Thank You from the KCCVS!

Governor Steve Beshear has proclaimed April 18-24 as Volunteer Week, and in the spirit of that observance, the Kentucky Commission on Community Volunteerism and Service (KCCVS) would like to say **THANK YOU!** We appreciate your support for national service and volunteerism in Kentucky!

The KCCVS has a lot of great things happening right now such as winning the 2009 Make A Difference Day contest and getting ready for the Build-A-Bed project on May 8-9, but we felt nothing was more important this week than extending a heartfelt thank you!
