

## Instructions for Kentucky Approved HIV/AIDS Continuing Education

The Kentucky Revised Statutes (KRS) 214.615 and 214.610 mandate HIV/AIDS education for health professionals. All applicants for initial licensure must comply with the statutory requirement for two (2) hours of HIV/AIDS education approved by the Cabinet for Health and Family Services (CHFS) or the Licensing Board or Certifying Entity. Applicants for licensure or certification renewal on active status must comply with this requirement at least one (1) time every ten (10) years thereafter, unless the licensing board or certifying entity specifically requires more frequent completion under administrative regulations promulgated in accordance with KRS Chapter 13A.

The Cabinet for Health and Family Services (CHFS) reviews and approves HIV/AIDS education courses. *CHFS does not review courses that applicants have already completed.*

For a list of CHFS approved HIV/AIDS courses you may check the Department for Public Health Training Web site at <http://chfs.ky.gov/dph/epi/HIV-AIDS+Professional+Education.htm>

### Carefully read all of these instructions:

1. **SELECT** one course designated specifically for your profession\*,  
or  
**SELECT** one course marked for "ALL" professions.
2. **CONTACT** the course provider to enlist in or to order the course you have chosen. If the course is offered on the Internet, the web site is listed for your assistance.
3. **COMPLETE** the course and return the post-test to the provider. **Remind the provider** that you are completing the course to meet your Kentucky licensure requirements.
4. If you are applying for your initial license, send a copy of the certificate issued by the provider **to your licensure board** (see next page).

If you are applying for license renewal, **contact your board** for their requirements.

5. Questions about CEUs or requirements of your board should be directed to your licensure board (see next page).

If, after reading these instructions, you still have questions about this list, call the Department for Public Health, HIV/AIDS Branch at (502) 564-6539, ext 3555. Or e-mail [greg.lee@ky.gov](mailto:greg.lee@ky.gov)
