

Program Alerts

For the 2016 EHR reporting period, new participants who successfully demonstrate meaningful use and satisfy all other program requirements will avoid the payment adjustment in CY2017 and CY2018 if the EP successfully attests by October 1, 2016 and will avoid payment adjustment in CY 2018 if the EP successfully attests by February 28, 2017.

Returning participants who successfully demonstrate meaningful use for the CY 2016 and satisfy all other program requirements will avoid the payment adjustment in CY 2018 if the EP successfully attests by February 28, 2017.

The Kentucky Medicaid EHR Incentive Program is working on system updates for Program Year 2016 changes. However, the system will not be ready to accept MU attestations by October 1, 2016. CMS has advised if a provider has been deemed by the state as a Meaningful User any payment adjustment that had been scheduled or executed will be recalculated and reversed.

Important Dates

Eligible Professionals and Eligible Hospitals:

- **2016**
Last year to initiate participation in Medicaid EHR Incentive Program.

Total Amount Paid: \$375,337,430.80

KHIE Connection

Kentucky Health Information Exchange (KHIE) is the Public Health Authority in the Commonwealth for the public health measures within the EHR Incentive Program. In order to be deemed a Meaningful User the provider must have a signed Participation Agreement and signed addendum(s) on file with KHIE for each public health objective selected for attestation.
