

**Kentucky Commission on Community Volunteerism and Service
AmeriCorps*State 2009 Continuation Application Review**

Grantee:

Program:

Proposed changes to the program need to be discussed in the Rationale and Approach, Community Outputs and Outcomes, Organizational Capability and Cost-Effectiveness and Budget Adequacy, as appropriate.

Member Enrollment:

Narrative provides an explanation for enrollment if less than 100% of slots awarded were enrolled. If 100% enrollment was not attained, a plan is included for improving those rates. **Yes No**

Comments:

Specific recommendations/ Need for clarification:

Retention:

Narrative provides an explanation if less than 90% of slots awarded were retained throughout the year. If a 90% retention rate was achieved, a plan included is for improving those rates. **Yes No**

Comments:

Performance Measures (Performance Measure Section):

The Performance Measures are included in the progress report (attached to the Program Overview) for your review. Programs may make changes, if needed, in the eGrant. Please review and decide, if a change has been made, that it is appropriate.

Do you recommend this application be sent forward to the Corporation for National and Community Service to be considered for continued funding?

Yes No

Do you have any recommendations regarding the level of the funding for this program?

Less funding Level funding More funding (not available for the 08-09 program year)
