

Minimum Data Set (MDS) 3.0 Updates - Webcast

The Office of Inspector General, Division of Health Care, will offer an MDS 3.0 Updates webcast designed to discuss changes to the MDS 3.0 since implementation; provide answers to coding questions from providers; and discuss upcoming changes and provider concerns. This webcast is tentatively scheduled for Thursday, March 29, 2012 and the recommended audience for this webcast includes Long Term Care Providers involved with the MDS 3.0 assessments.

The Kentucky Board of Nursing (KBN) has approved contact hours for RNs and LPNs. Administrators are also approved for contact hours. Participants must stay for the entire course in order to receive CEUs. **Note:** Approval by the KBN of an individual nursing continuing education provider does not constitute endorsement of offering content.
