The Cabinet for Health and Family Services is home to most of the state's human services and health care programs, including the Department for Medicaid Services; the Department for Community Based Services; the Department for Public Health; the Department for Aging and Independent Living; and the Department for Behavioral Health, Developmental and Intellectual Disabilities.

CHFS is one of the largest agencies in state government, with nearly 8,000 full- and part-time employees located across the Commonwealth focused on improving the lives and health of Kentuckians.
