**Gov. Beshear Updates Kentuckians on COVID-19
Vaccinations**

FRANKFORT, Ky. (May 4, 2021) – On Tuesday, Gov. Andy Beshear announced 1,835,176 people have received at least their first dose of a COVID-19 vaccine in Kentucky.

“We’re getting closer to reaching our 2.5 million–vaccine *Team Kentucky Vaccination Challenge* every day, but we need to pick up the pace, especially among younger Kentuckians,” said Gov. Beshear. “There are vaccination appointments available every week, at many different times throughout the day. At some sites, you don’t even need an appointment. Get it done, for yourself and for your community, so we can reach our goal and relax more restrictions.”

Case Information

As of 4 p.m. Tuesday, May 4, Gov. Beshear reported the following COVID-19 numbers:

People vaccinated in Kentucky (have received at least one dose): 1,835,176

New cases today: 776

Positivity rate: 3.47%

For more information on cases and hospital capacity, see the [full daily COVID-19 report](#). To see a list of those reported lost to the virus today, click [here](#).

Top five counties by vaccination rate: Woodford (55%), Franklin (54%), Fayette (52%), Scott (45%) and Jefferson (44%).

Bottom five counties by vaccination rate: Christian (17%), Spencer (17%), Ballard (19%), McCreary (20%) and Lewis (20%).
