Public Hearing Set for the Senior Community Services Employment Program (SCSEP)

A public hearing on the proposed Senior Community Services Employment Program (SCSEP) for program years 2020-2023 is scheduled for 10:00 a.m., EST, to 11:00 a.m., EST on Tuesday, April 7, 2020, via Zoom, <https://zoom.us/j/218984771>, Meeting ID: 218984771.

Subject to approval of the United States Administration on Community Living and the Department of Labor Employment and Training Administration, the four-year plan is to add needed updates to the two-year modification state plan, which describes the planning and implementation process for SCSEP services in Kentucky.

The hearing is a public forum open to the public or anyone interested in the delivery of services and establishment of programs for older Kentuckians. SCSEP provides part-time training opportunities to low-income people age 55 and older seeking to enter or re-enter the workforce. Participants earn income, gain employment skills, and engage in activities that support independence.

For information regarding the SCSEP State Plan, please contact the state Department for Aging and Independent Living at 502-564-6930. A copy of the plan can be reviewed on the DAIL website at <http://chfs.ky.gov/dail/default.htm>. Written comments will be accepted until 4:30 p.m. on April 14, 2020.
