

Community Collaboration Specialist

Kentucky Opioid Response Effort

The Community Collaboration Specialists hold primary responsibility for building collaboration at the community level.

Connection

Prevention Specialist who are tasked with working with community partners to make connections to coalitions, organizations, or resources, facilitate meetings and help communities to understand how Prevention, Treatment, Recovery and Harm Reduction all work together while breaking down the stigma of addiction. Providing training to educate about opioid and/or stimulant use to prevent death, injury, disease, overdose and substance misuse.

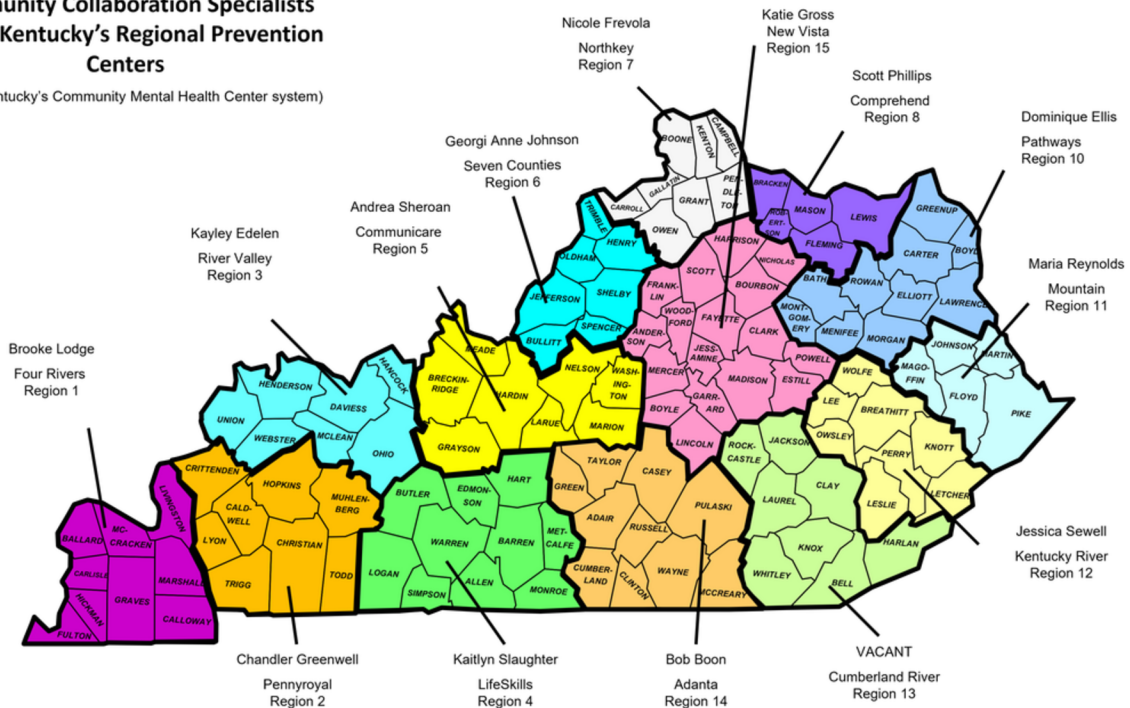

Training

- Opioid Education and Naloxone Distribution
- Mental Health First Aide-Adult and Youth
- Question-Persuade-Refer
- Substance Specific
