

Harry J. Cowherd Award for Center Excellence the "Whatever It Takes" Award Winner History

The Harry J. Cowherd Award is the Divisions' most prestigious award honoring a center (or centers) which truly excelled in the crucial role of serving kids and families.

This "Award for Center Excellence" is named for the late Dr. Harry J. Cowherd, who was a former secretary of the Cabinet for Human Resources, and a staunch advocate for the Family Resource and Youth Services Centers' concept.

Dr. Cowherd was the Cabinet secretary during the inception of the Kentucky Education Reform Act of 1990 and his vision helped to create the FRYSC network. He worked with legislators, community organizations, and children's advocates to establish legislation linking his agency's programs with those of the Kentucky Department of Education.

The Harry J. Cowherd Award is given to a center which has contributed to Dr. Cowherd's tremendous legacy by demonstrating excellence above & beyond its expected center operations. The nominations contained dozens of amazing programs and detailed SOME of the truly outstanding work being done across the commonwealth by FRYSCs.
