

**Kentucky Department for Medicaid Services  
Division of Long-Term Services and Supports  
Electronic Visit Verification – Task List by Service Code**

As part of documenting a visit using electronic visit verification, paid caregivers providing 1915(c) Home and Community Based Services must record the tasks they completed during a service visit. When using the state-sponsored system, Therap, the caregiver can select from a standardized list of tasks in the Therap app. The task lists for each waiver service/code are below. Paid caregivers do not need to check all tasks, only those they completed during a service visit.

<b>Acquired Brain Injury</b>		
Service	Service Code(s)	Tasks
Companion – Traditional and PDS**	S5135 S5135 HI	Monitor Health/Safety/Welfare Personal Hygiene/Dressing/Grooming/Transfer/Mobility Participant's Meal Prep/Eating Participant's Housekeeping/Laundry Transportation/Shopping/Appointments/Finances/Medication
