

Mobile Caregiver+ Quick Reference Guide Viewing the Schedule on the Mobile Caregiver+ App

Changing the Time Period View on the Home Page

When you open the Mobile Caregiver+ app, it opens to the home page where you will see your schedule. The default schedule view is 'Today.' Tap the time period drop-down list in the upper right corner to choose another time period: **Last Week**, **This Week**, or **Next Week**.

The **Home** page now displays the schedule for the time period you selected.

Visits are color coded with a dot to the left of each scheduled visit. The color of the dot indicates the **Status** of the scheduled visit:

- **Green**: visit successfully completed.
- **Red**: visit was not completed.
- **Yellow**: paid caregiver is late for the scheduled visit.
- **Gray**: scheduled visit has not been started.
