Re: COVID-19 Vaccine

The Cabinet for Health and Family Services is pleased to announce the COVID-19 vaccine will be made available to all individuals who are Medicaid Waiver Participant Directed Services paid employees. Participant Directed Services employees are included in the "Healthcare Workers" category for vaccine distribution. Vaccine supply is limited therefore, your patience and understanding is appreciated. There are hubs set up for individuals to sign up to receive available COVID19 vaccine at <https://govstatus.egov.com/kentucky-vaccine-map>.

Please review the information on KY COVID-19 vaccine website (<https://govstatus.egov.com/ky-covid-vaccine>) to make an informed decision. General information on the vaccine and a vaccine toolkit can be viewed on the bottom portion of the website page. The Cabinet for Health and Family Services truly appreciates your commitment to serving Kentucky's most vulnerable population as we work together to get a "Shot of Hope" in everyone's arm.
