

June 23 2017) - Attention Providers - Due to revisions, the **July 1, 2017 implementation date for the new Level 1 PASSR form** stated in the March 2017 Provider Letter **has been delayed**. Please continue to use the current Level I PASSR Screening form until further notice from the Department for Medicaid Services. Please also be advised the **new MAP 4095 PASSR Significant Change Form will be implemented on July 1, 2017** as planned.

For additional questions, please feel free to call or email either Vicki Barber at 502-564-6890 or Benita Jackie at (502) 782-6217.

(Mar. 10, 2017) **PASSR statewide training information**. The Departments for Medicaid Services and Behavioral Health, Developmental and Intellectual Disabilities have worked with the Centers for Medicare and Medicaid Services to develop a more comprehensive preadmission screening and resident review (PASRR) process. The statewide **implementation date** for both forms is **July 1, 2017**.

Read the Nursing Facility/ICF/IID Provider Letter - Pre-admission Screening and Resident Review Revisions (Mar. 10, 2017)

Attention Long-Term Care Providers

The revised September 2012 documentation guidelines will go into effect with the Oct. 1, 2012 RUG audit review process. The documentation guidelines have been updated to reflect the April 2012 RAI Manual revisions. These revisions will not impact the requirements used to validate the MDS items as conducted by Carewise Health, Inc. This document is available under the Policy Information Section location on the right.

Attention: Significant Change in Condition/Disposition Form

To review this change recently approved by Medicaid for nursing facility use, refer to the revised ([MAP-4095](#)) - PASRR Significant Change/Discharge Data.
