Uma Jaganathan, **Assistant Director**

 [Uma.Jaganathan@ky.gov](mailto:Uma.Jaganathan@ky.gov)

## DIVISION BRANCHES

### SYSTEMS MANAGEMENT

This branch is responsible for the management of the vendor-contracted IT solutions that support the overall Medicaid Program

### SYSTEMS OPERATIONS

This branch is responsible for the operational oversight of Commonwealth-owned IT solutions that support the overall Medicaid program.

### DATA MANAGEMENT

This branch is responsible for providing support to DMS as a whole for data, information, and analytics needs. The branch also serves as the liaison between DMS and the Office of Data Analytics.
