

The Division of Health Care Policy develops program regulations, interprets policies and procedures, and encourages providers and members to fully participate in Medicaid.

Division Leadership

Justin Dearing, **Division Director**

 Justin.Dearing@ky.gov

Vacant, **Assistant Director**

DIVISION BRANCHES

PHYSICAL HEALTH

Responsible for the development of regulations, interpretation of program policies and procedures, and encouragement of providers to fully participate in the Medicaid health care delivery system.

MATERNAL AND CHILD HEALTH

Created under a department reorganization in 2022, this branch focuses on programs and policies impacting the health of women and children. The branch administers the Kentucky Children's Health Insurance Program (KCHIP).

PHARMACY

Administers the Medicaid Pharmacy Program, including Fee-For-Service pharmacy benefits, billing guidance, and Pharmacy Benefit Manager (PBM) contract.
