Leeana Trainer, **Assistant Director**

✉ [Leeana.trainer@ky.gov](mailto:Leeana.trainer@ky.gov)

## DIVISION BRANCHES

### QUALITY

Identifies opportunities for improvement in the quality of care provided for our Medicaid members

### POPULATION HEALTH

Focuses on increasing collaboration with internal and external stakeholders to help increase Medicaid members' access to care and to improve their overall health outcomes.

### EQUITY & DETERMINANTS OF HEALTH

Identifies and addresses barriers related to Social Determinants of Health (SDoH) that may prevent Medicaid members from fully utilizing program benefits.

### RESEARCH & ANALYTICS

Works towards identifying, gathering, studying, and interpreting collective data to help improve positive health outcomes for all Kentucky Medicaid members.
