

MAC Agenda
September 23, 2021

1. Call to order
2. Roll Call
3. Approval of minutes from July meeting
4. Old business
 - A. Follow up on request from the Hospital TAC regarding some IMDs not being paid by some MCOs as per Managed Medicaid 42 CFR Part 438
 - B. Has any work been done to amend the Medicaid regulation to reimburse Certified Professional Midwives (CPMs)?
 - C. Request amendment to the Rural Health Clinic regulation 907 KAR 1:082 Section 9(1)(b) 2 (on page 16) to extend the time to 3 days for providers to sign Medicaid participant's chart. The current regulation requires charts to be signed on the day services are provided. Three (3) days would be in line with other regulations and more realistic in busy clinic settings.
 - D. Reminder - Follow up (update) to the report on maternal/infant health at the November MAC meeting.
 - E. Judge Philip Sheperd, Franklin Court, ruled in late April that the bidding process (the second one) for awarding the MCO contracts was flawed and must be re-bid. What are the immediate and long term effects of the judge's ruling that the MCO contracts must be re-bid? How does DMS plan to proceed?
 - F. Covid vaccination rate in the state and for Medicaid participants.
 - G. Covid infection rates in the state and Medicaid participants.
 - H. Update on missed and canceled appointments. How is the reporting going? Is there any consensus/common thread as to why patients are not showing up for appointments?
 - I. It was decided at the last MAC meeting that the MAC would continue zoom meetings through the end of the year. The MAC will discuss at the November meeting if zoom meetings will continue into 2022.
