

# KI HIPP

Kentucky Integrated Health Insurance Premium Payment Program

**Exciting news!** Kentucky offers a voluntary Medicaid program, called KI-HIPP, which helps eligible policy holders **pay for the cost of health insurance** offered through employment!

## What is KI-HIPP?

**The Kentucky Integrated Health Insurance Premium Payment (KI-HIPP) program** is a voluntary Medicaid program offered to Medicaid members to help pay for the cost of an Employer-Sponsored Insurance (ESI) plan. In addition, enrolled members may also include Non-Medicaid policy holders with at least one Medicaid member on the plan.

Medicaid members will **NOT** lose Medicaid benefits by enrolling in KI-HIPP.

## Why should I sign up?

The KI-HIPP program offers the following benefits to members who enroll:

**May widen healthcare network** by providing access to providers and services through the full Medicaid network

May help make **employer health insurance affordable** by reimbursing the policy holder for the monthly premium

**May allow an entire family** to be on the same health insurance plan and access the same providers

## Sounds Great! How do I sign up?

First, you must [complete the KI-HIPP application](#). Once completed, submit each of the following documents to begin the KI-HIPP enrollment process:

- ✓ Summary of Benefits and Coverage
- ✓ Premium Rate Sheet

**You can submit documents via one of the following ways:**

**Upload:**  
[benefind.ky.gov](https://benefind.ky.gov)

**Mail:**  
CHFS / KI-HIPP  
275 East Main St., 6C-A  
Frankfort, KY 40621

**Email:**  
[kihipp.program@ky.gov](mailto:kihipp.program@ky.gov)

**Please Note:** Do not enroll in an insurance plan until the KI-HIPP Team confirms that a plan available to you qualifies for reimbursement.
