

What is KI-HIPP?

The **Kentucky Integrated Health Insurance Premium Payment (KI-HIPP)** program is a voluntary Medicaid program offered to Medicaid members to help pay for the cost of an Employer-Sponsored Insurance (ESI) plan. In addition, enrolled members may also include Non-Medicaid policy holders with at least one Medicaid member on their plan.

How can KI-HIPP benefit me?

May widen healthcare network by providing access to doctors through the full traditional Medicaid network

May help make **employer health insurance affordable** by reimbursing the policy holder for the monthly premium

May allow an entire family to be on the same health insurance plan and access the same doctors

Am I eligible for KI-HIPP?

Eligibility for the KI-HIPP program is based on the following criteria:

Medicaid Member
on the Policy

Enrollment or Access to Employer Health Insurance

Potentially Eligible for KI-HIPP

The types of insurance plans that may be used for KI-HIPP include:

Insurance through an **Employer (ESI) Plan**

- **United Mine Workers**
- **Retiree Health Plan**
- **COBRA**
