**Note: If the Total All Count is different from Total by Plan Type it means a member is being counted in more than one Hold Type.

Note: If the Grand Total By Plan Type is different from the Total Count (as of Run Date), it means that there are overlapping Benefit Plan or PMP segments for those members across either one of the Plan Types.

The data is run from the weekly eligibility snapshot in the DSS at the Run Time listed. The data should very closely reflect what is in the MMIS as of Monday morning.

Members should have Medicaid Eligibility and have a PMP Assignment Plan (for MCO's only) to be counted towards the Plan Type.
