Member roll call

Old Business:

- Request for data from the cabinet on school-based nursing services in Kentucky 2022-2023 including cost settlement funds.

New Business:

- Update from DMS on Kentucky's current status on Medicaid eligibility re-determinations for adults and children
- Request for overview of SDOH supports such as housing support and meal assistance. Are these services available in KY? If so, are they administered through the MCOs?
- Update on the release of the updated Technical Assistance Guide for School Based Services

Meetings have been moved to quarterly and approved by email quorum of all TAC members.
